

Grassland management discussion groups

"Managing soil health for improved grassland"
9am on Wednesday 9th March 2022

The objective of this series of discussion groups throughout the year is to:

- Help producers improve their confidence in grassland management
- Improve the efficiency and profitability of the members
- Learn from each other's experiences and identify best practice
- Support and challenge each other

These groups are open to all grassland farmers and there is no charge to attend

First location: E W Davies Farms, The Hydes, Dunmow, Thaxted, Essex, CM6 3QB
